Notes:

- Students need to choose a **Social Subject**, a **Science subject**, a **Technology**, an **Expressive Art** and *most* need to choose a **Modern Language**. In addition you can choose one more subject in any of the colours.
- Core Subjects are: English, Maths, P.E. & Health & Wellbeing, Social Education, Religious Studies and Science.
- Pupils must make a **1st and 2nd choice** in each column. (Please make sure your second choice is a real one and not simply a rearrangement of your first choices.)
- If unsuccessful in your first choice of language please indicate your second choice of language in this box. (This will help guidance staff in their support of you.)
- Please refer to the estimates above when making your choice.
- In general a course will run only if there are at least 15 or more pupils.
- Every effort will be made to provide first choice but this cannot be guaranteed.
